A ROUGH CUT ON THE LIFE AND TIMES OF LACHUMAN MAGAR

Dinesh Deokota
39 min.

A picaresque account of an ordinary man -made extraordinary by his appetite for life and love. At the age of 58 Lachuman Magar has not just seen it all but done most of it too. A some-what fearless war veteran with a strong weakness when it comes to members of the opposite sex. Today Lachuman's story has come full circle and he wonders what his next step will be.
