## **A MATTER OF DOUBT**

A personal film about the incredible ascent, of the elusive summit of Annapurna on May 16, 2002, via a wildly committing traverse of the east ridge.

From the satellite peak of Singu Chuli to the main west summit of Annapurna and back, Jean- Christophe Lafaille and Basque climber Alberto Inurrategi negotiate 10 horizontal miles of complex terrain above 24,000 feet.

*The story is told from Jean Christophe's perspective and that of his wife, Katia.*
