## TANTRIC YOGI

Jim Broadbent narrates this eventful and comic road trip, a kind of Tibetan Canterbury Tales - by bus, tractor and boat.

A village in eastern Tibet sets out on a cross-country pilgrimage led by its Chief Tantric Yogi (Wangdrak) to the One Hundred Thousand Gathering, which takes place only once every 60 years. Struggling with their huge bread offering across mountain and vale, the pilgrims encounter all kinds of obstacles and arrive at the Namdzong Gathering late, where they find panic in the monastery.
